

# What you need.

## Television

## TiVo DVR

Everything you need to get set up is in the box.

## Phone line

TiVo connects to your existing phone line. But don't worry, it's still your phone line, TiVo only uses it a few minutes each day.

## TiVo service

The TiVo service is what makes your TiVo DVR smart. Simply choose a subscription plan\*:

Monthly \$12.95  
Product lifetime\*\* \$249.00

## Program source

TiVo works with:

- basic or digital cable
- small dish satellite receiver
- rooftop antenna
- old-fashioned "rabbit ears"

Oh, and TiVo is also compatible with virtually any VCR, DVD player or TV!

Professional installation is available. Visit [tivo.com](http://tivo.com) for more information or ask an authorized TiVo retailer.

\* TiVo service is required and sold separately. No functionality is represented or should be expected without a paid subscription to the TiVo service. Pricing, terms and conditions subject to change. Receipt of TiVo service is subject to the terms of the TiVo service agreement.

TiVo service is accessed through a standard telephone line and is available as a local call in most areas. In some areas, local and long-distance toll charges may apply.

\*\* A product lifetime subscription to the TiVo service covers the life of the DVR- not the life of the subscriber. Each DVR purchased requires its own TiVo service subscription and activation, and it cannot generally be transferred to any other DVR (see the TiVo service agreement for details).

Never miss your favorite shows.  
**NO TAPES. NO TIMERS. NO WORRIES.**

TiVo, TV your way.™

# What is TiVo®?

**TiVo DVRs are like VCRs** but with a hard disk and without the hassles of videotape. Think incredible digital quality. Think automatic recordings of your favorite shows, all season long. So you can watch what you want, when you want.

**Plug into the future** of home entertainment. The TiVo Series2 DVR comes with two USB expansion ports that let you view your digital photos, enjoy digital music and more on your TV. (Coming soon!)

**No more mystery tapes.** All your favorite shows are neatly labeled and ready for viewing. Dozens of videotapes' worth.

# TiVo is easy.

**TiVo is so easy, everyone in the house can use it. This friendly remote is how you talk to TiVo:**

## RECORD

Tell TiVo once, and it'll record a whole season of your favorite shows automatically, without repeats. Wow!

## PAUSE

It can even pause live TV. Plus, rewind, slow-mo and instant replay. Any channel, anytime!

## SELECT

Who cares what's on when? TiVo learns what you like – say, golf, Hitchcock, or cooking – and records those shows automatically. Easy!

**Simple but powerful. No wonder TiVo is by far the most popular Digital Video Recorder (DVR) in the world.**

# There's only one TiVo.

**Don't believe us? Ask a friend, even a critic.**

"If you're like me, and all you want is grippingly well-made TV on demand, no recorder loves you back like TiVo."

—*Time Magazine*

"I'm the proud owner of a digital video recorder that has transformed my relationship with my TV... I am a TiVo user; hear me roar."

—*Associated Press*

**TRY THE TIVO SERVICE, RISK FREE.** Try TiVo for yourself. If you don't love it after 30 days, we'll give you a full refund. No questions asked.
